## UNATTENDED/ATTENDED DIRECT FUNERAL (FDs charges only)

A direct cremation is where a Funeral Director collects the deceased from home, or other, completes all administration procedures, giving help and advice to the executors and family of the deceased, then simply takes the deceased, alone at a time of their choosing to a burial, or cremation site. We understand this is often hard for families to enact and outline other options to the standard direct funeral below;

<b>DIRECT BURIAL (Funeral Directors charges only)</b>	<b>£1195</b>
<b>FEES YOU MUST PAY (outside of the Funeral Directors fees above)</b> <i>BURIAL: The costs of burial plots vary considerably throughout the area and are worked out based on location. These fees range from (Snaith burial fee to Goole Cemetery fee);</i>	<b>£400 to £2207</b>
<b>UNATTENDED CREMATION (Funeral Directors charges, inc. cremation and doctors fees)</b>	<b>£1595</b>
<b>DIRECT ATTENDED CREMATION (FDs charges, inc. cremation &amp; doctors fees)</b> Some crematoria allow a few people to attend a direct cremation, with a piece of music, Others do not. When we conduct an attended direct cremation we often provide a number of the services we provide for fully attended cremations, and therefore have to charge accordingly, on a bespoke basis. This includes our discretion with viewings.	<b>£1595 plus</b>
<b>CREMATORIA FEES (included in Direct Cremation fees above)</b> <i>Cremation fees vary between crematoria &amp; the type of service you request. Attended, whether you have a minister, or celebrant attend, or not are priced as such.</i>  <i>Non-attended services are often strictly for just funeral directors staff and the deceased to attend.</i>	<b>£665 to £943 £450 to £550</b>
